Dear Sisters in Christ,

It is difficult to believe that this National Episcopal Church Women's Board has just completed its first year of Board meetings. I have truly found new sisters in Christ and my life is enriched by their presence. As you know by now the Board meets three times/year. This meeting was in Colorado Springs and the next Board meeting will be in New York City in October where we will meet at 815. Over the three year term we will meet once in each of the nine Provinces.

### Board Highlights

\*Dennis Hooper, a certified personal coach from Perry, Georgia, was with the Board for a full day to explore different leadership perspectives, strengths & limitations and how the Board might enhance its skills to better serve the church. We were presented with a book entitled LIVING YOUR STRENGTHS by Albert L. Winseman, Donald O. Clifton and Curt Liesveld...Gallup Press and requested to take a test online by the next Board meeting to discover our top five strengths. This should be interesting.

\* The Financial Report form the last Triennial 2003-2006 is enclosed for the Diocesan ECW Presidents. It will be posted on the ECW Web page if you are interested.

\* Social Justice is working on expanding the Women to Women program to address USA needs around Katrina. See the article in Communique`. If you do not receive the Communique` and wish to, please let me know. It is also available on the web site.

\* We have a theme for Triennial! Keep watching for it.
