

Why am I a member of ECW? That is an easy one - I am a member of ECW because of Harriett, Donna, Connie, Dottie, Cordelia, Sally and well I could easily go on and on and list names of women who have a place in my heart. They are women who encourage, teach, lead, as well as show me where I need to grow. I lost my sister to leukemia when I was 10 years old. These women do not realize it but they fill that sister role for me. I could do very little with my two hands, however when all of these women join together it amazes me what can be done. Our former Bishop Katharine Jefferts Schort loaned me 2 books when she first came to Nevada. They were both about the history of women in the Episcopal church. These women did not need any liberation! In the early 1900's they drove across the desert by themselves, made money to put roofs on buildings so they would have a place to worship. These are the women I want to be apart of.
