

Women to Women

A program of the Episcopal Church Women

What is It?

Women to Women is a program of the Episcopal Church Women which helps women outside the continental United States by gifting seed money to set up income-producing projects to improve their lives and strengthen their communities.

Applicants can receive funding to create a small business or to learn job skills.

Applications submitted to the National Board of Episcopal Church Women which meet the established criteria will be gifted as funds are available up to a maximum amount of \$5,000.

Projects Previously Funded

Some examples of projects for small enterprises that have been started with funds from Women to Women include:

- Building a grist grinding mill
- Forming a dress-making cooperative
- Establishing a vegetable farm project
- Purchasing knitting machines
- Opening a grocery store and canteen

Criteria for Gifts

- Business must be a new business
- Official Women to Women application must be completed and submitted
- Application must be signed by the Anglican Bishop in the Diocese in which the project is to be located
- A business may receive Women to Women funding only once for the same project
- Maximum amount of a Women to Women gift is \$5,000

Our Mission

- Bringing aid to women to help them become equal partner within their communities
- Giving women a chance to improve life for themselves, their families, and their community

A Prayer for Social Justice

Grant, O God, that your holy and life-giving Spirit may so move every human heart, that barriers which divide us may crumble, suspicions disappear, and hatreds cease; that our division being healed, we may live in justice and peace; through Jesus Christ our Lord. Amen.
